Melcourt Equestrian Bedding Product Technical Specification Guide

NOTES

- Lines 3,4 and 5** The sizes and percentages (by weight) are nominal. By the nature of these products, it is not practically possible to be exact and there might be a small variation.
- Line 5** "Dust and Fines" refers to particles less than 1 mm in diameter.

All values given in the Product Specification are typical. However, some variation may occur from time to time. Melcourt Industries Ltd reserves the right to alter the specification without notice, for the purpose of product improvement.
