

Melcourt News

A new range of landscape and play products for h&b group members (February 10)

The Melcourt professional range of bagged landscape and play products is now available to members of the h&b group after a recommendation from an existing Melcourt Stockist, Branch Brothers of Lincolnshire. "We've been stocking Melcourt products a for a couple of years now," says Ashley Branch, Managing Director. "We're impressed not only by the quality of the products themselves but also by the service which Melcourt provide. They are very much in the mould of the h&b group in their commitment to doing what they say."

Melcourt is the UK's leading supplier of mulches, soil improvers and play surfaces to landscape professionals and we are delighted to be listed by the h&b group.. Our products are all based on bark, wood and other natural materials. They are thoroughly tested, recyclable, and 100% peat free – perfect for the environmentally-conscious times we live in.

If you'd like to know more about our range visit www.melcourt.co.uk or contact me at any time.
